iEARN Member Benefits

Projects

Members have access to iEARN's robust network of international educators and can use iEARN's secure Collaboration Centre to join classroom projects designed and facilitated by teachers in K-12 classrooms and aligned with the United Nations Global Goals. iEARN members come from more than 140 countries and iEARN projects have reached more than 2 million students.

Learning Circles

Join an ongoing, 5, 10 or 16 week highly interactive, structured and supported project experience that connects small groups of educators and classes from around the world.

Global Connections

Global Educator Hangouts, Teacher Parlour Chats, and other virtual events give you the chance to connect with other educators across the world.

Mentoring Groups

Global Education Ambassadors with years of iEARN experience are available to answer your questions and help along the way.

Resources

Not sure how to get started with an iEARN project or want to take your skills to the next level? Look through our [project book](#), [teacher's guide](#), [curriculum integration plans](#), and tutorials!

Professional Development for Members

iEARN-USA offers a myriad of pathways and opportunities for equipping educators with the skills to integrate online, global project-based learning into the classroom.

iEARN Training

The iEARN 101 and 102 Training Series equips educators with the skills and knowledge needed to successfully implement an iEARN project and create a rich, meaningful exchange experience with their students. Join by video conference on scheduled dates throughout the year or take a self-guided course at your own pace.

Free for members

Thematic Virtual Workshops

Expert-led virtual workshops build skills for online teaching and learning and developing students' global competencies. Virtual workshops include presentations with field experts, breakout discussions, and interactive activities.

iEARN Leadership Opportunities

Are you an experienced iEARN member looking for ways to give back to the iEARN community? Learn more about iEARN-USA's leadership tracks for educators and sign up to become a Global Education Ambassador or iEARN Project Facilitator.

Global Education Ambassadors (GEAs)

These iEARN-USA leaders promote project work, support new educators in the network, and continue their own global education growth. GEAs enjoy special opportunities, such as conference presentations, mini-grants, and advanced workshops.

Become a Project Facilitator

iEARN offers resources and an annual summer course to help you build your skills in project design and facilitation.
